ENTRIES

Entry forms (on page 12) should reach the Show Organiser or be deposited at Frensham Village Shop no later than 12 noon on Thursday, 2nd April 2020.

All exhibits must be staged between 9.15am and 10.45am on the morning of the Show, and before leaving exhibitors should check with the Stewards that their exhibits and entry slips are correctly placed in the appropriate Class. Please note the above times are slightly later than previous years.

The Show is open to the public between 2.30pm and 4.00pm after which exhibits are to be collected.

NOTES FOR EXHIBITORS

All exhibits in the Floral Arrangements, (except classes 2 and 4), Flowers, Shrubs and Vegetables sections must have been grown in the exhibitor's garden or allotment and be entered in their name. The use of accessories is permitted but plant material must always predominate. Judging will be in accordance with RHS Horticultural Show Guidelines.

Exhibitors must supply their own vases, dishes and other containers.

No exhibitor may enter more than one exhibit in any one Class.

Junior classes are restricted to those aged 15 and under. To assist the Judges write the age of the child on the reverse of the entry slip and display next to their entry.

Open classes - exhibitors need not be members of the Society.

Exhibitors may include the name and variety of the flowers, plants, fruit and vegetables that they exhibit. This is purely for the interest of other exhibitors and visitors and no points will be earned or deducted whether or not this is done.

DAFFODIL CLASSIFICATION

Division 1 – Trumpet daffodil cultivars

One flower to a stem; trumpets are as long as, or longer than the petals.

E.g. King Alfred, Barnum, Pink Silk

Division 2 – Large-cupped daffodil cultivars

One flower to a stem; cup is more than one-third but less than equal to the length of the petals.

E.g. Rainbow, Pink Charm, St. Patrick's Day

Division 3 – Small-cupped daffodil cultivars

One flower to a stem; cup is not more than one-third the length of the petals.

E.g. Polar Ice, Merlin, Barrett Browning

Division 4 – Double daffodil cultivars

One or more flowers to a stem, with doubling of the petals or trumpet or both.

E.g. Tahiti, Rip Van Winkle, Ice King

Division 5 – Triandrus daffodil cultivars

Two or more pendant flowers to a stem; the petals are reflexed (swept back).

E.g. Hawera, Ice Wings, Thalia

Division 6 – Cyclamineus daffodil cultivars

The characteristics of these daffodils are clearly evident. One flower to a stem, the petals are significantly reflexed and the flowers are an acute angle to the stem, with a very short neck.

E.g. February Gold, Jack Snipe, Little Witch

NB The characteristics for Divisions 5 to 9 are give for guidance only: they are not all necessarily expected to be present in every cultivar assigned to those divisions.

Division 7 – Jonquilla and Apodanthus daffodil cultivars

One to five (rarely eight) flowers to a stem. The petals are spreading or reflexed. The trumpets are cup-shaped, funnel-shaped, or flared and usually wider than long. Usually fragrant.

E.g. Jonquilla Baby Moon, Kedron, Sweet Smiles

Division 8 - Tazetta daffodil cultivars

Three to twenty flowers to a stout stem. The petals are spreading and not reflexed. Usually fragrant.

E.g. Minnow, Avalanche, Silver Chimes

Division 9 - Poeticus daffodil cultivars

Usually one flower to a stem. The petals are pure white and the trumpet is very short or disc shaped, usually with a green and/or yellow centre and a red rim, but sometimes of a single colour. Usually fragrant.

E.g. Actea

Division 11 - Split corona daffodil cultivars

Trumpet split; usually for more than half its length. There are two sub divisions, Collar and Papillon.

Collar daffodils

Split-trumpet with the trumpet segments opposite the petal segments: the trumpet segments usually in two whorls of three.

E.g. Pentire, Belcanto

Papillon daffodil

Split-trumpet daffodils with the trumpet segments alternate to the petal segments; the corona segments usually in a single whorl of six.

E.g. Papillon Blanc
